(Year 7 and Above)

(Full version)

Introduction

This notice is to help you understand **how** and **why** Windsor Academy Trust (WAT) collects your personal information and **what** we do with that information. It also explains the decisions that you can make about your own information.

The Academy is part of the Windsor Academy Trust (WAT). WAT operates the Academy and is ultimately responsible for how the Academy handles your personal information.

If you have any questions about this notice please talk to your form tutor.

What is "personal information"?

Personal information is information that the WAT holds about you and which identifies you.

This includes information such as your name, date of birth and address as well as things like exam results, medical details, unique pupil number and behaviour records. We will also hold information such as your religion or ethnic group. CCTV, photos and video recordings of you are also personal information.

Our legal bases for using your information

This section contains information about the legal bases that we are relying on when handling your information.

The tables below contain a general description of the different legal bases. We have also used a colour code system so that you can see which bases we are relying on for each of the purposes described.

Legal obligation ("LO")

The WAT might need to use your information in order to comply with a legal obligation, for example to report a concern about your wellbeing to Children's Services. We will also have to disclose your information to third parties such as the courts, the local authority or the police where legally obliged to do so.

Vital interests ("VI")

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Performance of a task carried out in the public interest ("PI")

This applies where what we are doing is for the benefit of the public generally. The following are examples of where this applies:

- providing you and others with an education;
- safeguarding and promoting your welfare and the welfare of your classmates;
- facilitating the efficient operation of the Academy; and
- ensuring that we comply with all of our legal obligations.

Legitimate interests ("LI")

This means that the WAT is using your information when this is necessary for the Academy's legitimate interests except when your interests and fundamental rights override our legitimate interests. We won't rely on this basis when your interests and fundamental rights override our legitimate interests.

We have a legitimate interest in using your information to:

- i. promote the WAT including fundraising and publicity;
- ii. preserve historical school records.

The WAT must also comply with an additional condition where it processes special categories of personal information. These special categories include: personal information revealing racial or ethnic origin, political opinions, religious or philosophical beliefs, genetic information, biometric information, health information, and information about sex life or orientation. [Trade union membership (e.g. if you are a member because of an apprenticeship) is also a special category of personal information.]

Substantial public interest ("SPI")

The WAT is allowed to use special categories of personal information where doing so is necessary in the substantial public interest. This is similar to "public interest" in the table above. For example, the WAT will use information about your health to look after you. We may also use other types of special category personal data about you to provide you with an education, to look after you and your classmates or when the WAT is inspected

Social protection and social security law ("ESP")

There will be times when the WAT needs to use your information because we are an employer (e.g. we employ your teachers). Also the WAT will use your information to comply with social protection law (e.g. to look after you) and social security laws (e.g. to provide you with free school lunches if you are entitled to these). Social protection law is concerned with preventing, managing, and overcoming situations that adversely affect people's wellbeing.

Vital interests

In limited circumstances we may use your information to protect your vital interests or the vital interests of someone else (e.g. if you or they are seriously hurt).

Legal claims ("LC")

We are allowed to use your information if this is necessary in relation to legal claims. For example, this allows us to share information with our legal advisors and insurers. This applies whenever sharing special category data is necessary in relation to legal claims.

Medical purposes ("MP")

This includes medical treatment and the management of healthcare services.

As you will see from the information, in some cases we will rely on more than one basis above for a particular use of your information. In addition, we may move from one of the legal bases listed above to another as circumstances change. Please see our Information and Records Retention Policy for more detailed information. This can be found on our websites.
